

RYA DIESEL ENGINE COURSE

A one-day beginners' course to help you prevent and solve diesel engine failure. You will have hands-on training with a diesel engine and will learn how to undertake routine maintenance work yourself. Learning about your diesel engine may not just save you money, it may also save your boat and crew in an emergency.

Course type:	THEORY
Assumed knowledge:	None
Course content:	Principles of diesel engine operation, the systems and parts of an engine, fault finding, resolving common problems, bleeding the fuel system, changing the impeller, routine maintenance, winter laying up procedures.
Minimum duration:	6 hours, including completion of the questions in the RYA course booklet.

Tutor: Chris Amy

Dates: Saturday 24th March

Session times: 10.00 hrs. to 17.00 hrs.

Venue: St Helier Yacht Club Westward Training Room

Course fee: £80 - members, £95 - non members.

The above course fee is inclusive of the course booklet and certificate.

Please contact Helen, the Club Manager, on 732229 or email shyc@localdial.com to book your place on the course. Please confirm as soon as possible as spaces are limited on this course.

The course will run with a maximum number of 6 students.
